

# CLLOUDY with a chance of MEATBALLS

## WORD SCRAMBLE

Flint Lockwood's Diatonic Super Mutating Dynamic Food Replicator (FLDSMDFR for short) can be programmed to create any food from just water. Help Flint program some delicious meals by unscrambling the code words.

SCKEPANA

NAABAN

RKEUYT

HDTGONUUS

ESOICOK

GDTTHOO

TNWONO

KACEHIRTO

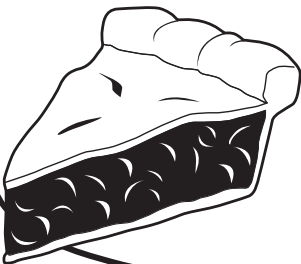

ROACNMAI

UERHARGMB

ESHECE

LOAMAETF

On the line below, write the underlined letters from the above scrambled words and unscramble them to find out which food drove Flint to invent the FLDSMDFR.
